EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. R. Fowler on 10/25/06.

The application has been amended as follows:

In claim 37, add after "partially exposed" in line 16, the following"—to a fluid—

In claim 53, add after "conditions" the following:--such that said fluid comprises a gas--

2. The following is an examiner's statement of reasons for allowance: the claimed invention is allowed because the prior art of record does not teach or fairly suggest an apparatus for use in controlling the temperature of one or more substances or for executing a capillary electrophoresis process comprising a heating unit having opposed first and second surfaces, the first surface being at least partially exposed for cooling of the heating unit such that the first surface includes an exposed portion that does not contact another solid surface or partially exposed to a fluid for cooling of the heating unit.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
